

## OKSANA MUKHA

Founded in 1994 in Lviv, Ukraine, the brand made by Oksana Mukha was a wedding dress. Now the brand is sold in 250 stores in 20 countries, including Saudi Arabia, Armenia and Georgia. Dresses by Oksana Mukha are known for their intriguingly complex lace, embroidery, carefully selected fabrics, the finest quality and the original design in each line and detail. There are three collections: Elegance, Deluxe, Privee. Available at Modatex this year, Crystal.

Some of the collection are sumptuous in detail, and Oksana's own way of combining fabrics and colours.

## MONICA SANTANA

This is a new luxury designer bridal label from Germany that features elegant, feminine cuts in delicate silk fabrics and beautiful cotton laces. The talent behind the label is Brazilian-born Silvana Santana, who studied at the prestigious Academy of Fashion and Design in Munich. Her work is wonderfully creative and demonstrates her passion for the demanding techniques of cutting-edge art in the field of fine fashion. The Monica Santana haute couture label was launched in 2007.

### Highlights

High-quality mikado silk, crepe and duchesse satin combined with exclusive handmade cotton lace. This is an exciting collection introducing extraordinary designs in different silhouettes and with a variety of necklines.
